KEY FAQ

Do I need prior commodity experience?

Foundation requires no prior commodity experience. Professional suits serious learners and working professionals. Focus is for deeper sector-specific learning.

Are sessions live?

Yes. Courses are designed around live interactive online sessions. Any recording availability will be communicated for the relevant cohort.

What if I miss a session?

Participants should attend live wherever possible. Catch-up support, if offered, does not remove applicable attendance requirements for certification.

Do I receive a certificate?

Eligible participants receive a TraaFin Academy Certificate of Completion after meeting the applicable attendance and completion requirements.

Can international participants join?

Yes. Participants should check the published session time in their own time zone before enrolling.

What about refunds?

Refunds and cancellations are governed by the current Refund & Cancellation Policy published on TraaFin.com.

IMPORTANT INFORMATION

Before you enrol

Payments & refunds. Course payments, cancellations, transfers and refunds are subject to the current Refund & Cancellation Policy published on TraaFin.com.

Educational purpose. TraaFin Academy provides education and training. Content is not investment, legal, tax, financial or other regulated professional advice.

Career outcomes. Participation or certification does not guarantee employment, placement, income, trading profits, financing, mandates or business outcomes.

Certification. A TraaFin Academy Certificate of Completion recognises completion of applicable course requirements; it is not a university degree, statutory licence or professional regulatory qualification.
